

Wednesday 28th February 2018

Dear Parents/Carers,

Here are some activities to keep your child busy during the adverse weather conditions. Take some pictures of your 'snowy learning' and send them into school. We would love to talk about the children's snow experiences when we return to school.

Thank you for your continued support.

Miss V Laven
EYFS Teacher

Suggested activities

- A spray bottle with water and a few drops of green food coloring.
- A container of water with red food coloring added.
- Syringes, scoops and a turkey baster.

Tree faces

Small world snow men

Bring the snow inside and investigate what happens when you heat the snowmen.

Marshmallow snowman

Small world construction site

Snowflake symmetry

Snowman story

Write a story together about an amazing adventure that your snow man could go on.
